Views from the OECD
CHEA/CIQG QUALITY PLATFORM

- Are learning outcomes articulated and achieved?
- Do they meet post-secondary level standards?
- Can credits be transferred?
- Is transparent information available?
Grappling with the assessment of learning outcomes...
The Quality Platform pilot

✧ A very positive process

✧ Being recognised as a CHEA/CIQG Quality Platform provider has burnished DeTao's image in China
The Quality Platform

- Extend its use to other innovative providers
- Continue to refine it.
Clayton Christensen

‘Disruptive innovations’ tend to start in organisations that are on the margins their industry before working their way into the mainstream’
Thank you!
